Aschinger Electric Wins Big for Safety and Subcontracting

Aschinger Electric has been awarded the American Subcontractors Association (ASA) Midwest Council's Outstanding MEP Subcontractor of the Year (Category B) and the ASA Safety Cup.

The prestigious MEP Subcontractor of the Year award was chosen by vote of previous General Contractor of the Year winners, with criteria including bid ethics, safety policy, communication, and quality workmanship.

The ASA Safety Cup is awarded to one ASA member company for the most overall improvement in safety performance and practices. The awards were announced at the ASA Midwest Council's Friday Night Lights Awards Gala on June 25th, 2021.

"Thank you for everything you do to make us shine for our customers and to work safely!" said Emily Martin, Aschinger's President/CEO. "I'm very proud of our whole team for all their work!"

[Aschinger Electric Company](#), a TEGG franchise since 1997, is a family business based in St. Louis. For over 75 years, Aschinger Electric has provided turnkey service for new construction and renovation. Aschinger fields an Electrical Emergency Service Response Team and provides predictive testing and preventative maintenance services, including infrared testing, arc flash hazard analysis, and power quality services.
