### Lippolis Electric CEO Thanked for Leadership of Blythedale Children's Hospital Event

Carmine Lippolis, owner and CEO of Lippolis Electric, has served more than 15 years as Event Chair for Blythedale Children's Hospital's Fall Golf Classic. In announcements of the success and \$260,000 proceeds from this year's BNC Insurance Fall Golf Classic, Blythedale gave special thanks to Carmine as Event Chair and Lippolis Electric for their continued efforts for the hospital.

"About 15 years ago, Carmine asked us to get involved with playing in the outing," said John Cofini, Principal, BNC Insurance, in a video posted by Blythedale Children's Hospital about the event. "First thing he asked us to do was take a tour of the hospital and we did. And when you see the hard work, the dedication, the nurses and these kids; it breaks your heart. It's not something you can say no to."

Blythedale Children's Hospital combines medical and rehabilitation expertise in their mission to improve the quality of life for children with disabling conditions and complex medical illnesses. You can learn more about Blythedale [at their website](#).

"If I can make a difference, I'm going to make a difference," said Carmine Lippolis. "I'm lucky because I have the resources to bring people to this outing, and they believe in making a difference, and that's what it's about here." You can see more about the event in the LinkedIn Posts [here](#) and [here](#).

[Lippolis Electric](#) has been a TEGG contractor since 2014. Serving the New York City metropolitan and surrounding areas, Lippolis provides commercial and residential service, specializing in safe and professional electrical services and asset management, including preventive maintenance, testing, and custom monitoring solutions.
