

## Announcing the Second Quarter Winner of the 2021 Sales Program

ABM Franchising Group is excited to announce the second quarter winner of TEGG's 2021 *Delivering Essential Solutions Together* Sales Program.

**And the winner is... Matt Corbett of Comstock Brothers Electric Co.!**

Matt will choose from a prize list including: Bose SoundLink around-ear wireless headphones II, Nespresso Coffee and Espresso Machine, DEWALT 20v Lithium Drill Driver/Impact Combo Kit, Ring Alarm 5 Piece Kit + Echo Dot, and Holy Stone GPS FPV RC Drone HS100 with Camera Live Video 1080P HD.

The Sales Program is a raffle ticket-based drawing to provide more opportunities to win. If your ticket wasn't selected in the quarterly prize drawing, don't worry, there are still two more quarterly drawings – and you still have a shot at your choice of a grand prize, which includes:

- A seven-night trip for four to Walt Disney World in Orlando, Florida
- A seven-night trip for two to Maui, Hawaii
- A Rolex Oyster Perpetual watch
- A complete home entertainment system

All of the tickets from the quarterly drawings will be entered into the grand prize drawing, which will be drawn during the 2022 Continuing Education Conference.
