

Announcing the Second Quarter Winner of the 2022 Sales Program

ABM Franchising Group is excited to announce the second quarter winner of TEGG's 2022 *Together Toward Tomorrow* Sales Program.

And the winner is... Mary Gregor of Turner Electrical Services, LLC!

Mary chose Apple AirPods Pro from a prize list including the Bose SoundLink Around-ear Wireless Headphones II, HomePod Mini 2 Pack, Shimano Stradic Spinning Reel, DEWALT 20v Lithium Drill Driver/Impact Combo Kit, Weber Tailgate Grill, Yeti Flip Cooler, Nespresso VertuoPlus Coffee and Espresso Machine, Bose SoundLink Revolve Portable Bluetooth 360 Speaker, iLife Robot Vacuum, and an Apple TV 4K with Remote.

The Sales Program is a raffle ticket-based drawing to provide more opportunities to win. If your ticket wasn't selected in the quarterly prize drawing, don't worry, there's still two more quarterly drawings to go, and you still have a shot at your choice of a grand prize, which includes:

- A seven-night trip for four to Walt Disney World in Orlando, Florida
- A seven-night trip for two to Maui, Hawaii
- A Rolex Oyster Perpetual watch
- A complete home entertainment system

All of the tickets from the quarterly drawings will be entered into the grand prize drawing, which will be drawn during the 2023 Continuing Education Conference.

For more information on the Sales Program, review the [Sales Program Rules](#) and [COM 1, Title 8](#).
