TEGGNet Hub First Login Process

Your first time linking to a document on the new TEGGnet Hub will prompt you to log in and then create your new password.

At the FranConnect login page – you'll be asked to enter your username and password. **Your first-time Login ID is your company email address. Your password is Password.123 (case sensitive)**

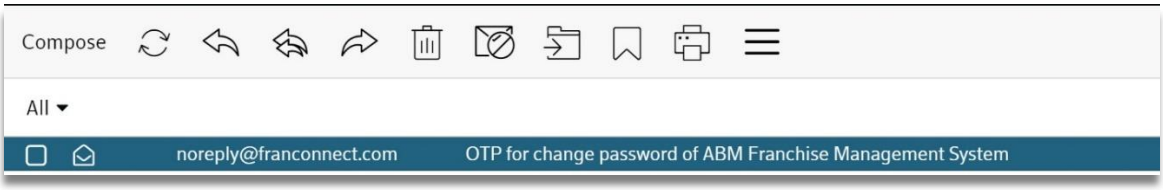

Your first login to TEGGNet Hub on FranConnect will ask you to change your password and enter a One-time password (OTP) which will be emailed to you.

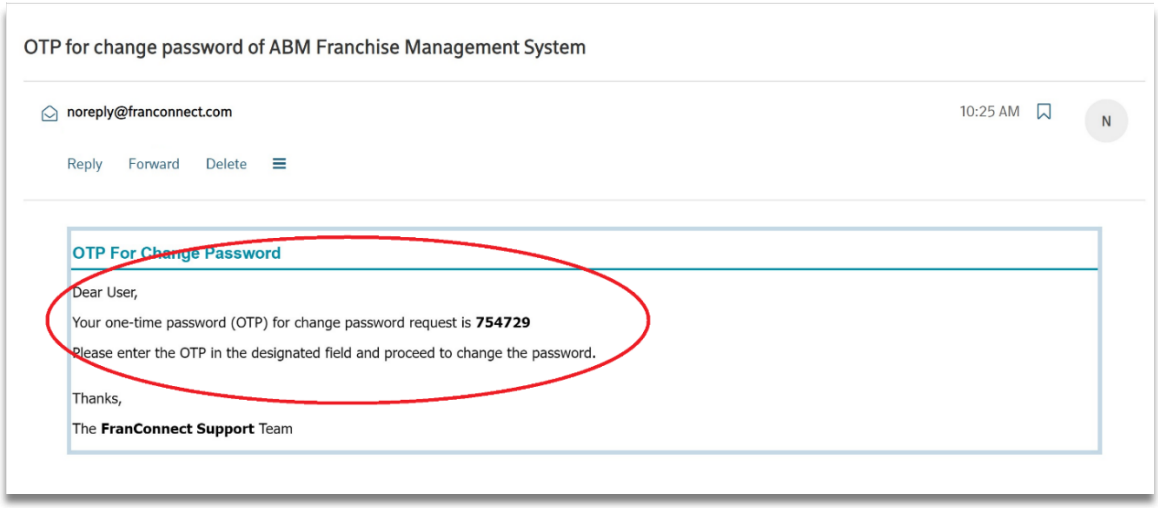

TEGGNet Hub First Login Process

To retrieve your OPT – check your company email (the same you just entered as a username in Login ID) for an email from noreply@franconnect.com with the subject “OTP for change password of ABM Franchise Management System.” If you did not receive this email, please check your Junk/Spam folder.

Open the email to retrieve your 6 digit OTP code.

Go back to the login page and enter your new password, enter the confirmed password and your OTP code. Then click Save.
